TISAX
Participant Registration Form (B)

Purpose of This Form
With this form we collect information about the company that wants to be a TISAX participant (either as active participant, passive participant or both).

About This Form
- An asterisk * indicates that it is mandatory to provide this information.
- This form is part of a set of forms that are required for a registration process. A signature is only required on the "TISAX Registration Signature Form (E)". However, on that form you must actively mark that this form (TISAX Participant Registration Form) is part of the registration (see E-03).
- This form expires after June 2017. If you fill out this form after June 2017, please go to www.enx.com/tisax or contact us at tisax@enx.com to obtain a current version of this form.

Help
If you have questions about this form in particular or the TISAX Registration in general, please don't hesitate to contact us at:

B-01 **Applicability Check** *

If this is an initial registration (as selected at line A-01), you must fill out the entire form.

If you are already a registered TISAX participant and you only want to register an additional scope or trust partner, you only have to provide your TISAX participant ID and your company's name. In this case, you only have to include the first page of this form into your submission.

B-02 ☐ Initial registration
⇨ Proceed at line B-06.

B-03 ☐ Additional registration

B-04 **TISAX Participant ID**

B-05 **Company Name**

⇨ You are finished with this form.

B-06 **TISAX Participant List (TPL)** *

The "TISAX Participant List (TPL) on www.enx.com/tisax lists all registered TISAX participants. You can find out more about the list on www.enx.com/tisax. This decision can be changed in either direction later.

B-07 ☐ Yes, list me in the "TISAX Participant List"

B-08 ☐ No, don't list me in the "TISAX Participant List"

B-09 **Participant Company** *

This is the company to which any registered scope belongs.

B-10 **Location Number** *

Please either:

a) use a fresh copy of the "Address and Site Form (Y)" to record the details of the participant company and then provide the "Location Number" (from line Y-01) and the "Company Name" (from line Y-03) below to link from here to the respective Address and Site Form. Or

b) re-use the location number of a location you already recorded in another copy of the Address and Site Form.

Example: 1 ACME Ltd.
If for example the company that receives the invoice and the participant company are identical, you would write down below the very same location number (and company name) you already wrote down in field A-19.

B-11 **Main Participant Contact** *

This is the person that is generally responsible for information security assessment topics of your company.

B-12 **Contact Number** *

Please either:

a) use a fresh copy of the "Contact Form (X)" to record the details of the additional participant contact and then provide the "Contact Number" (from line X-01), "First Name" (from line X-08) and "Family Name" (from line X-09) below to link from here to the respective contact form. Or

b) re-use the contact number of a contact you already recorded in another copy of the contact form.

Example: 1 John Doe
If for example the "main administrative registration contact" and the "main participant contact" are identical, you would write down below the very same contact number (and name) you already wrote down in field A-05.

B-13 **Additional Participant Contacts**

The main participant contact (specified above, line B-11) is usually all we need. Should you prefer to have all emails sent by us in the context of this registration also to other persons, you can provide the details here. It is completely optional to provide additional participant contacts.

B-14 **Contact Number(s)** *

Please either:

a) use a fresh copy of the "Contact Form (X)" to record the details of the additional participant contact and then provide the "Contact Number" (from line X-01), "First Name" (from line X-08) and "Family Name" (from line X-09) below to link from here to the respective contact form. Or

b) re-use the contact number of a contact you already recorded in another copy of the contact form.

Example: 2 Jane Doe; 3 Richard Roe
