

TISAX

Sharing Permission Registration Form (D)

Purpose of This Form

With this form we collect information about a trust partner that you want to share assessment results of a registered scope with.

Please note: This form collects the information of ONE sharing permission (i.e. scope/trust partner combination). If you want to register more sharing permissions, please use an individual form for each (use multiple copies of this form).

About This Form

- An asterisk * indicates that it is mandatory to provide this information.
- This form is part of a set of forms that are required for a registration process. A signature is only required on the "TISAX Registration Signature Form (E)". However, on that form you must actively mark that this form (TISAX Sharing Permission Registration Form) is part of the registration (see E-06).
- This form expires after June 2017. If you fill out this form after June 2017, please go to www.enx.com/tisax or contact us at tisax@enx.com to obtain a current version of this form.

D-01 **Your Scope ID** (*)

This scope ID specifies the scope whose assessment results should be shared with the trust partner specified below.

Please use the following format. If you want to register a sharing permission at the time of the scope registration, please omit the Scope-ID:

<Scope ID> <Scope Name>
Example: S7Z5GT ACME Ltd.

D-02 **Trust Partner** *

The following TISAX participant should get access to the assessment results of your registered scope (specified above, line D-01).

The "Trust Partner" is the company that you share your assessment results with. The "Trust Partner" is not the audit provider you choose to conduct the assessment.

D-03 **Participant ID of Your Trust Partner** *

This is the participant ID of your trust partner.

You must obtain your trust partner's participant ID directly from your partner. Please also provide the full legal company name (including the legal form) of your trust partner. This company name must match with the aforementioned participant ID.

Example: PVPT9Z Volkswagen AG

D-04 **Trust Partner-Specific Participant Identification**

Some trust partners require additional information to identify you.
Either your partner will ask you to add such an identification when he requests you to get an assessment. Or we will contact you if we know that your trust partner usually requires this additional identification.
